About This Content

Love the monsters in RPG Maker MV, but want them to look more epic?

Take your beasts, monsters and bosses a step further with this unique enemy pack by Katakura Hibiki! Re-imagined in his classic, signature style, each enemy is brimming with detail and new-found potential. With matching characters, faces, portraits and battlers, you will have valuable material to use on and off the battlefield. Whether you're looking for extra material to populate your game's bestiary or just want a cooler and stronger version of RPG Maker MV standard, MV Monsters is a pack you don't want to miss!

Features:

- 8 enemies and 2 actors in Katakura Hibiki's signature art style, with variations and recolors for some characters.
- Walking character sprites for gazer, jellyfish and slime.
- 8 Faceset sheets - close-ups for each enemy, as well as facesets with emotion for actors (neutral, happy, excited, sad, angry).
- A portrait for each character variation, facing left or right for a total of more than 100 portraits!
- Vol.2 includes: Actor1-5, Actor1-6, Fanatic, Gazer, General (F), General (M), Iron Giant, Jellyfish, Mage and Slime

I think this DLC is good. But it is a little strange that Vol.1 comes along with VA version together, but in Vol.2, MV and VA version are separately sold.

Anyway, I hope Katakura Hibiki can keep providing MV DLCs. I like your work. Maybe you can consider translating the VA Dark Hero Character Pack, Fantasy Hero Character Pack, into MV?. : Actor1-5, Actor1-6, Fanatic, Gazer, General (F), General (M), Iron Giant, Jellyfish, Mage and Slime ARE NOT IN THE DLC!!!
